

Person Specification: Class Teacher EYFS

PRIOR EXPERIENCE - The post holder will:

- Have a teaching qualification in the EYFS / Primary Age Range.
- Have experience of teaching in EYFS as a substantive class teacher or student

ABILITIES, KNOWLEDGE AND SKILLS

The post holder will have the ability to:

- Develop positive and warm relationships with all our children
- Provide appropriate challenge and support for children of all abilities at an appropriate level, through careful planning informed by effective assessment
- Motivate our diverse range of children and engage support of their families through trusting and open relationships, including our hard to reach families
- Have the ability to raise standards of learning from sometimes low starting points and ensure accelerated progress is made by all children rapidly
- Manage behaviour positively, consistently and successfully in line with our school policy.
- Deliver a creative curriculum enhanced by ICT
- Use assessment to inform next step teaching and be flexible with pupil groupings
- Ensure equal opportunities for all pupils.
- Work as part of a successful team and deploy support staff and resources effectively
- Plan for opportunities for child led learning
- Implement whole school policies and procedures.
- Manage and lead an area of the curriculum (if not an NQT)
- Review and write policies.
- Audit and order resources.
- Manage a budget and order, store and maintain equipment
- Liaise with consultants and the Inspectorate, and other agencies.

The post holder will have:

- Enthusiasm and energy and a love of school life.
- A good knowledge of current education issues.
- A good understanding, knowledge and experience of the curriculum within EYFS
- Excellent interpersonal and communication skills.
- Excellent ICT skills.
- Organised and have excellent time management skills.
- Up to date CPD

The post holder will be:

- Able to keep to deadlines.
- Forward thinking, positive and creative.
- Friendly and cheerful.
