### KS1 Full Time Class Teacher Fixed Term Contract (Maternity Cover)

#### The Greville Primary School, Ashtead, Surrey.

The post is ideal for an ambitious and highly motivated ECT from September 2025. **As a large primary school there is the potential for future opportunities to arise for permanent contracts.**

The Greville is looking to appoint an excellent teacher who is passionate about teaching and working alongside our children. The successful applicant would join the 'Greville family' to work in a successful and supportive primary school. Our Ofsted report noted:

*"Your shared vision of 'inspire nurture achieve' sits at the heart of the culture of the school. At the start of the school day, parents made very clear to me that belonging to the 'Greville family' mattered to them. They also made clear to me that they appreciate and admire the total loyalty and dedication of your staff team, who are prepared to 'go the extra mile' to ensure their children are happy.*

*The behaviour of pupils I witnessed was never less than exemplary. They were very keen to share their views of the school when asked. They appreciate the care afforded them by staff, telling me that adults always listen to their point of view.*

*This is a happy school where children enjoy learning, benefiting from good- quality teaching across all curriculum subjects. Provision for sport and the arts is particularly strong."*
